ABOUT US ;

TERMOMUG – A Story of Strategic Alliance

Established in 2025 at Şanlıurfa, Türkiye , TERMOMUG operates on a 35,000 m² site with 23,000 m² of enclosed production space. Featuring 4 fully automated and robot-assisted production lines, TERMOMUG boasts a daily production capacity of 40,000 units, ready to serve the world with speed and high-quality output.

TERMOMUG was founded as a special strategic alliance project.

This partnership brings together TERMOSAN ÇELİK LTD. ŞTİ., which became the first manufacturer of stainless steel vacuum bottles and tumblers in Türkiye and Europe with its groundbreaking investment in 2016, and ZHEJIANG YONGHENG HOUSEHOLD CO. LTD., one of China's leading producers with over 20 years of manufacturing experience. This strong collaboration aims to combine quality, speed, and reliability under one roof.

By uniting Türkiye's strategic geographic and industrial strength with China's extensive manufacturing know-how, TERMOMUG stands ready to make a difference in the global market supported by a professional production team and infrastructure that meets international standards, all under the assurance of the "Made in Türkiye" label.

As the dynamics of global trade continue to shift and strong alternatives are increasingly sought, we invite you to discover the strength and potential of TERMOMUG.

HAKKIMIZDA;

TERMOMUG – Bir Güç Birliği Hikayesi

2025 yılında Şanlıurfa'da, 35.000 m² alan üzerine kurulan TERMOMUG; 23.000 m² kapalı üretim alanında, tam otomatik ve robot destekli 4 üretim hattı ile faaliyet göstermektedir. Günlük 40.000 adet üretim kapasitesine sahip olan TERMOMUG, hızlı ve yüksek kaliteli üretim gücüyle tüm dünyaya hizmet vermeye hazırdır.

TERMOMUG, özel bir güç birliği projesi olarak hayata geçirilmiştir.

Bu birlik, çelik termos üretiminde 2016 yılında yaptığı yatırımla Türkiye ve Avrupa'daki ilk üretici unvanını kazanan TERMOSAN ÇELİK LTD. ŞTİ. ile, 20 yılı aşkın üretim tecrübesiyle Çin'in önde gelen üreticilerinden biri olan ZHEJIANG YONGHENG HOUSEHOLD CO. LTD. tarafından kurulmuştur. Bu güçlü ortaklık; kaliteyi, hızı ve güveni aynı potada buluşturmaktadır.

Türkiye'nin stratejik konumu ve üretim gücü ile Çin'in derin üretim bilgisi ve deneyimini birleştiren TERMOMUG; "Made in Türkiye" markasının güvencesiyle, profesyonel üretim ekibi ve uluslararası standartlardaki altyapısıyla sektörde fark yaratmayı hedeflemektedir.

Ticaretin dinamiklerinin yeniden şekillendiği, küresel pazarlarda güçlü alternatiflerin arandığı bu yeni dönemde, TERMOMUG'ın sunduğu kaliteyi ve potansiyeli keşfetmeye sizi de davet ediyoruz.
